SOCIALIST PARTY (WEST BENGAL)

Com. Dinesh Dasgupta, Secretary, West Bengal
Socialist Party in a press statement says:-

Com. Satyananda Bhattacharya, Ex-Secretary,
Socialist Party (West Bengal) and a Councillor of
the Calcutta Corporation and Com. Naresh Bhewmick
Ex-Secretary, Socialist Party (Calcutta) in a
joint letter addressed to the party have expressed
their willingness to work with the party as the ban
imposed on them debarred party membership for 10
years has been expired by this time. They were
founders of the Party.

They expressed their unflinching faith on the
party as they feel that the Socialist Party is the
mother organisation of a socialist who believe in
socialism. The precept and practice so long
enunciated and persuaded by the party will see
Bacon-light in imbuing future generations for
achievement of a true socialist society
of plenty for all. It is also indicated their
letter about 50 members who were inactive so long
will follow them.
